

American Corners Portugal

The American Corners program is a project where the U.S. Embassy and Universities/Faculties have joined together to create areas where visitors can find information about the U.S. and world events.

We have a network of American Corners in such prestigious institutions as:

- Faculdade de Letras, Universidade de Lisboa
- Faculdade de Ciências e Tecnologia, Universidade Nova de Lisboa
- Instituto Superior de Economia e Gestão, Universidade Técnica de Lisboa
- Instituto Superior Técnico, Universidade Técnica de Lisboa
- Universidade de Aveiro
- Faculdade de Letras, Universidade do Porto
- Universidade dos Açores

If you want to benefit from printed publications, a free subscription to the eLibraryUSA (scientific databases), or learn about upcoming programs, visit the American Corner in your University/Faculty library.

Information Resource Center

The authoritative source for information and programs on U.S. related policies, economy and finance, science and technology, society and culture.

The IRC serves the academic world, media, government and nongovernment organizations, research institutions, and individuals interested in U.S. related matters.

We can also draw on specialized resources through a world-wide network of U.S. Embassies and contacts in the United States.
